## User Manual

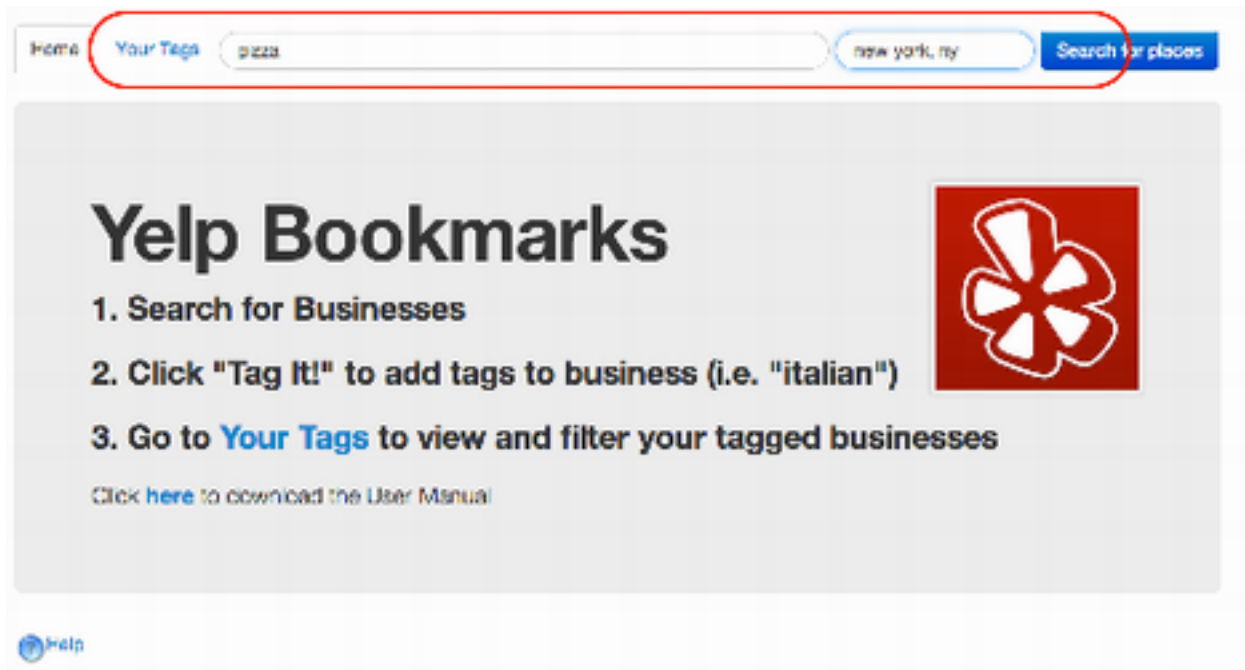

### 1. Search for Businesses to Tag

To search for businesses to tag, enter your search terms and location in the search and location fields, respectively, at the top of the home page. Hit “Search for places” to execute the search.

#### Search box and User Manual.

Enter search terms and location.

The application then returns Yelp businesses that match your search criteria. Basic business information is displayed, along with a “Tag It” button for you to add custom tags for each business.

## 2. Tagging Businesses

To add your own tags to each business, simply click the green “Tag It” button on the far right of each business. A pop-up window will appear that will allow you to select tags you want to associate with this business.

**Tag It pop-up.**

From the pop-up box, you will find the following sections:

- **Chosen Tags:** these are tags that you have selected to tag the business with.
  - To remove a tag, simply click on the tag and it will go back to the section it came from (i.e. “Existing Tags” or “Recommended Tags”).
- **Existing Tags:** these are all the tags that you have ever used
  - To add one of these tags, click on the tag to move it to the “Chosen Tags” section.
- **Recommended Tags:** these are tags that the system recommends for this business. Typically, these tags will be related to the business category, such as “Italian” or “Entertainment.”
  - To add one of these tags, click on the tag to move it to the “Chosen Tags” section.

The image displays two sequential screenshots of a web interface for selecting tags for a business named "Rosario's Deli".

**Top Screenshot:**

- Title:** Choose tags for Rosario's Deli
- Existing Tags:** A collection of orange pill-shaped tags including "try it", "tried", "3michelinstars", "italian", "awesome", "nearby brooklyn", "pizza", "cheap", "near columbia", "cool place", "french", "wine\_bars", and "saw it on tv".
- Recommended Tags:** A smaller collection of orange pill-shaped tags including "delis" and "pizza".
- Add New Tag:** A text input field followed by an "Add" button.
- Action:** A large orange "Submit" button at the bottom.

**Bottom Screenshot:**

- Title:** Choose tags for Rosario's Deli
- Selected Tags:** Three orange pill-shaped tags with an "X" icon for removal: "pizza", "cheap", and "near columbia".
- Existing Tags:** The same collection of orange pill-shaped tags as in the top screenshot.
- Recommended Tags:** A smaller collection of orange pill-shaped tags including "delis".
- Add New Tag:** A text input field followed by an "Add" button.
- Action:** A large orange "Submit" button at the bottom.

After you have selected all the tags you want to use, click on “Submit” to save the tags. The tags will now show up next to the business.

## 4. Filtering Through Your Tagged Businesses

To filter your tagged businesses, simply click on a tag in “Your Tags” to move it to the “Filter” section. All the businesses that have the selected tag(s) will appear below. You can select as many tags as you like, and only businesses that contain *all* of the tags will be shown.

The screenshot shows a web interface with a navigation bar at the top containing 'Home' and 'Your Tags'. Below the navigation bar, there is a 'Tag List' on the left and a 'Filtered Results' section on the right. The 'Tag List' contains a list of tags: awesome, cool place, french, italian, nearby brooklyn, saw it on tv, tried, try it, wine\_bars, and 3michellinstars. The 'Filtered Results' section shows two businesses: Rosario's Deli and Koronet Pizza. Each business listing includes its name, a star rating, the number of reviews, a phone number, and a set of tags. The tags for Rosario's Deli are pizza, cheap, and near columbia. The tags for Koronet Pizza are pizza, near columbia, and cheap. Each business listing also has a green 'Add' button.
