User Manual

1. Search for Businesses to Tag

To search for businesses to tag, enter your search terms and location in the search and location fields, respectively, at the top of the home page. Hit "Search for places" to execute the search.

Search box and User Manual.

The screenshot shows the top navigation bar with links for 'Home' and 'Your Tags'. The search bar contains the text 'search for (e.g. Mexican, Joe's Pizza, cheap)' and is followed by a 'Location' field and a 'Search for places' button. Below the navigation bar is a large grey box titled 'Yelp Bookmarks' which contains a list of instructions: '1. Search for Businesses', '2. Click "Tag It!" to add tags to business (i.e. "italian")', and '3. Go to Your Tags to view and filter your tagged businesses'. A link 'Click here to download the User Manual' is also present. To the right of the text is a red square icon with a white stylized flower. At the bottom left of the page is a 'Help' button with a question mark icon.

Home [Your Tags](#) search for (e.g. Mexican, Joe's Pizza, cheap) Location [Search for places](#)

Yelp Bookmarks

1. Search for Businesses
2. Click "Tag It!" to add tags to business (i.e. "italian")
3. Go to [Your Tags](#) to view and filter your tagged businesses

Click [here](#) to download the User Manual

[Help](#)

Enter search terms and location.

2. Tagging Businesses

To add your own tags to each business, simply click the green “Tag It” button on the far right of each business. A pop-up window will appear that will allow you to select tags you want to associate with this business.

Tag It pop-up.

From the pop-up box, you will find the following sections:

- **Chosen Tags:** these are tags that you have selected to tag the business with.
 - To remove a tag, simply click on the tag and it will go back to the section it came from (i.e. “Existing Tags” or “Recommended Tags”).
- **Existing Tags:** these are all the tags that you have ever used
 - To add one of these tags, click on the tag to move it to the “Chosen Tags” section.
- **Recommended Tags:** these are tags that the system recommends for this business. Typically, these tags will be related to the business category, such as “Italian” or “Entertainment.”

- To add one of these tags, click on the tag to move it to the “Chosen Tags” section.

The image displays two sequential screenshots of a web interface for selecting tags for a business named "Rosario's Deli".

Top Screenshot:

- Title:** Choose tags for Rosario's Deli
- Existing Tags:** A collection of tags including "try it", "tried", "3michelinstars", "italian", "awesome", "nearby brooklyn", "pizza", "cheap", "near columbia", "cool place", "french", "wine_bars", and "saw it on tv".
- Recommended Tags:** A collection of tags including "delis" and "pizza".
- Add New Tag:** A text input field and an "Add" button.
- Submit:** A large orange button at the bottom.

Bottom Screenshot:

- Title:** Choose tags for Rosario's Deli
- Chosen Tags:** A collection of tags including "pizza", "cheap", and "near columbia", each with a close button (X).
- Existing Tags:** A collection of tags including "try it", "tried", "3michelinstars", "italian", "awesome", "nearby brooklyn", "cool place", "french", "wine_bars", and "saw it on tv".
- Recommended Tags:** A collection of tags including "delis".
- Add New Tag:** A text input field and an "Add" button.
- Submit:** A large orange button at the bottom.

After you have selected all the tags you want to use, click on “Submit” to save the tags. The tags will now show up next to the business.

4. Filtering Through Your Tagged Businesses

To filter your tagged businesses, simply click on a tag in “Your Tags” to move it to the “Filter” section. All the businesses that have the selected tag(s) will appear below. You can select as many tags as you like, and only businesses that contain *all* of the tags will be shown.
